## JOIN THE EXPEDITION

Volvo Ocean Race sails the traditional route of the old clipper ships. From November 2005, to June 2006, the Volvo Ocean Race teams will compete for one of the world's legendary sports prizes. The 33,000-nautical mile race is divided into nine legs, each offering its own extreme challenges. Thanks to in-port racing, there won't be a quiet moment. Adding further excitement around the race, Volvo Cars will launch a competition called Volvo X-Sea Challenge. There's a trip you can win, including a four-day experience in one of the four X-Sea Challenge stop overs: Cape Town, Melbourne, New York/Annapolis or Göteborg. Whether you want to join in or just follow the race, start by visiting
